

CELEBRATION OF 60 YEARS OF SLOVENIAN ASSOCIATION OF RADIOLOGY, 30-YEARS OF INTERVENTIONAL RADIOLOGY IN PRIMORSKA REGION WITH ELECTIONS OF ORGAN MEMBERS

PROGRAM VENUE:

Friday, November 5th 2010

15:30 Wellcome cocktail- Primula Restaurant, Solkan

16:00 D. Kuhelj: Slovenian Radiology today

16:30 M. Šurlan: Interventional radiology- what was achieved

17:00 D. Pavčnik: A 60 years Retrospective of the Slovenian Association of Radiology

17:30 ZRS- Organ Members' Elections- ZRS Members only

19:00 Formal Dinner- Primula Restaurant, Solkan

Saturday, November 6th 2010

Coronini Castle, General Hospital Šempeter

8:30- 9:00 Wellcome

- Introduction- ZRS President
- Mayor of Šempeter- Vrtojba
- General Hospital Šempeters General Manager
- Head of Department of Radiology of General Hospital Šempeter

9:00- 10:00 **Part 1: Diagnostics of Arterial Disease in Slovenia**

9:00- 9:15- The role of invasive and non- invasive and invasive vascular diagnostics

9:15- 9:30- Management of vascular pathology in GH Šempeter

9:30- 9:45- CT of the heart- cardiologists' expectations

9:45- 10:00- The role of radiologist in pathology of the heart

10:00- 10:30 Coffee break

10:30-12:30 **Part 2: Interventional Radiology of Peripheral Arteries in Slovenia**

Pelvic Arteries

10:30- 11:00- Pathology, Therapy

11:00- 11:15- Case 1

11:15- 11:45- Discussion

Femoral and Popliteal Artery

11:50- 12:20- Pathology, Therapy

12:20- 12:35- Case 2

12:35- 13:00- Discussion

13:00-14:00 Lunch

Infrapopliteal Arteries

14:00-14:30- Pathology, Therapy

14:30- 14:45- Case 3

14:45- 15:15- Discussion

15:15- 15:45 Coffee break

15:45- 18:30 **Part 3: Interventional Neuroradiology in Slovenia**

Carotid Arteries

15:45- 16:15- Pathology, Therapy

16:15- 16:30- Case 4

16:30- 17:00- Discussion

17:00- 17:15 Coffee break

Intracranial Endovascular interventions

17:15- 17:45- Pathology, Therapy

17:45- 18:00- Case 5

18:00- 18:30- Discussion

19:30- Bus Transfer – Dinner in Goriška Brda with Visit of the Vine Cellar

November 7th 2010

Coronini Castle, General Hospital Šempeter

9:00- 10:00 Part 4: Miscellaneous Topics

9:00- 9:30- Emerging Technologies

9:30- 9:45- Radiation protection in interventional radiology- new machines are harmless?

9:45- 10:00- Percutaneous treatment of veins

10:00- 10:30 Coffee break

10:30- 11:45 Part 5: Endovascular treatment of abdominal aorta

Abdominal Aorta

10:30- 11:00- Pathology, Therapy

11:00- 11:15- Case 6

11:15- 11:45- Discussion

11:45- 14:15 **Part 6: The role of Interventional Radiology in Oncology in Slovenia**

Intraarterial Therapy

11:45- 12:15- Pathology, Therapy

12:15- 12:30- Case 7

12:30- 13:00- Discussion

Radiofrequency Ablation

13:00- 13:30- Pathology, Therapy

13:30- 13:45- Case 8

13:45- 14:15- Discussion and closing remarks

14:15-15:30 Lunch
